

THE END OF AN ERA

Thursday, December 22, 1960

THE OLD WRIGHT ESTATE is pictured above in the final stages of demolition as it makes way for the construction of the new Middle School. Here the front porch has been ripped away.

AND THE WALLS CAME TUMBLING DOWN as one large push by the demolition crew machinery caused the house to collapse.

THE END OF A GRAND OLD HOUSE as flames engulf the ruins of the once stately Wright Estate.
